## School Groups

NSTS welcomes schools and parents who encourage students to participate in youth mobility educational programmes such as Erasmus+ and others. We have a number of established programmes that offer a variety of educational, cultural and entertainment opportunities in an English-speaking environment. However, we also invite your proposals based upon your international educational and funding objectives.

School groups live either at NSTS Campus Residence in safety and security, sharing 4/5 duplex bedded rooms with private facilities, free Wi-Fi, central heating/air-conditioning, or

## School Group Principal Services

### SE English, Culture, Fun

As a teacher you set out with your school group during the scholastic year on a 5 to 8 day educational trip to a safe, friendly, hospitable and history-rich country. You offer your students 3 hours a day of interactive quality English lessons, and optional daily afternoon outings to the numerous interesting historical attractions and pleasant evening entertainment.

You can choose 12, 16 or 20 English lessons that are exclusive to the group and any number of cultural, social and sports activities you desire according to the duration of your group's stay.

## JE English For My First Job

This programme alternates 20 lesson-hours of English dedicated to the ethics and procedures of employment and work with 20 hours of work experience in different work places. In the evenings and weekend, we organize on request, fun and relaxation activities. Each student must have a minimum English level of A2.

The “English for my First Job” programme is spread over 5 intensive full-days in a stay of 7 or 8 days. The 8-day stay gives students the opportunity of a well-earned optional cultural enrichment sightseeing activity.

## FJ My First Job Experience

An alternative is a full-day intensive work only programme of 40, 60 or 80 hours in a stay of 7, 12 or 14 days with evening and weekend relaxation activities. Each student must have a minimum English level of B1.

Sponsorship funds are generally available for these programmes.

## II Intercultural Immersion

Our intercultural immersion programme is planned over a holiday of between 5 and 8 days. It centres around an English-speaking programme of full-day outings to popular heritage sites listed on page 22 and more, led by an amateur and is subject to an additional supplement for a licensed professional guide. Evenings are spent on entertainment activities. In addition to the Basic Core Services the teacher is to decide upon the optional additional day outings and evening activities and is quoted for accordingly.

The Immersion is a great way to practise English whilst enjoying what Malta has to offer.

## ST Sports Training Camp

Come with your school’s or club’s team and train in an English speaking overseas environment with great climatic conditions. Our seasons are very mild and the period from October to May is perfect for sport training camps or individual practice. We organize training facilities for 5 half days a week and handle all the logistics on your behalf.

On request we offer professional strength and conditioning coaching sessions to improve performance, increase strength and prevent injury, local coaches in the sport of interest and any other specific requirements you may ask for. You are invited to request additional optional sightseeing, social activities and/or English lessons.
